EKM6022CL-SG

BATTERY-HYDRAULIC CRIMPING TOOL

Whether application-less or application-based,
Klauke crimping tools give you peace of mind for optimum processing.
The right crimping tool achieves connections that satisfy even the toughest requirements.

Features :

- Closed head, flip top style, rotatable
- Simple and safe: one-button operating concept for controlling all tool functions
- Effortless working due to balanced centre of gravity
- LED for work area illumination
- Simple and safe: automatic retraction when operation is complete
- Always ready-to-use thanks to battery charge and service display

Technical Data :

- Crimping force : 60kN
- Crimping range : 16 - 300mm² Cu
- Working Times : Approx. 150–200 at 150mm²Cu
- Crimping cycle : 5 sec. (Depends on crimping cross section)
- Charging time : approx. 40 mins
- Battery voltage : 18 V
- Battery capacity : 3.0 Ah lithium battery
- Weight including battery : 3.0 kg
- Ambient temperature : -10°C to +40°C
